Assignment 2a

Business Description:

This Company is named „Picture World". Our offer is to share pictures with everyone. Picture World categorizes all pictures in many different topics and themes. We want to make the user happy with finding pictures and sharing them with friends and family via Social Media and communication services. The user can browse along different topics and discover the world of pictures.

Webpages

Picture World Homepage

> This page includes a big Slideshow which includes the most viewed pictures. Below that will several categories be described and give a link to the corresponding categories page.

Top Rated Pictures

> This page lists several pictures, which are seen most in the last week and git most likes. There can be added more ranking-lists if wished in the future

Nature | Art | Cities | Black and White | Cars

> On each page will be a list of pictures corresponding to the chosen topic or theme. The user should have the ability to scroll along the side and find a huge number of pictures.
